## Meeting Announcement

This month's meeting of the Ogden Astronomical Society will be on May 14<sup>th</sup> at 7:30pm at the Ott Planetarium at Weber State University

## OAS Minutes, April 2009

The monthly meeting of the Ogden Astronomical Society was held at the Ott Planetarium on the campus of Weber State University on April 9, 2009. It was called to order by President Dustin Klein at 7:30 pm.

### Announcements:

- OAS Stickers are still available. They are \$5.
- Astronomy week is 4/27-5/3. Craig has been working with Ogden City and has obtained permission for us to The Junction in downtown Ogden. We plan on this being a day and night event. We are planning to do demonstrations, Solar Observing and a Star Party. We want to have a lot of participation on this by having different people do the demonstrations.
- Some members will be attending our Dead Horse Point star party on 4/22-4/25. For those of us that can't make it that far we are going to meet at Curlew Campground Friday and Saturday night.

Ron Procter then presented his planetarium show that he had built for a school project. It was very nice.

After the show, many of us adjourned to the Village Inn for dinner or desert and additional conversation.
