Meeting Announcement

There will not be a formal meeting held in August. We will get together for our “Tea Parties” and potluck dinners at our private star party. We look forward to seeing everyone there.

Special September Meeting Announcement

On September 10th, we will be celebrating our 40 year anniversary as a club. Our meeting will be held at Bob Tillotson’s home on **Friday**, September 10th at 7:00pm, you are welcome to begin arriving at 6:30. We will be holding our elections, eating dinner and having presentations on the history of OAS. Spouses or Significant Others are welcome. More details will come in our September Star Diagonal. Please RSVP with Bob at bobt@skyplanner.com or call him at 801-773-8106 or cell phone 801-866-5408. Everyone needs to RSVP if they are going to attend. That will allow Bob to get enough food, etc for the dinner. RSVPs need to be done by September 4th.

Star Party Schedule

Public Parties

August 14 Antelope Island
 September 11 Antelope Island
 October 2 Antelope Island

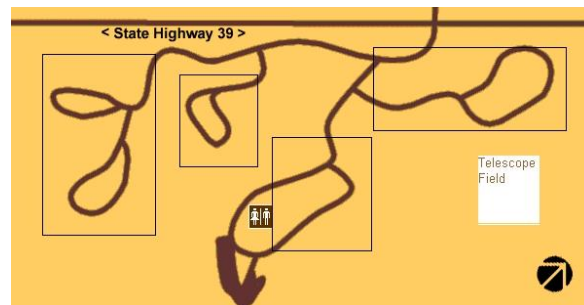

Our Private Star Parties are as follows.

Aug 3-8 Monte Cristo
 Sept 1-6 Bear Lake Star Party
 Nov 5-7 Curlew

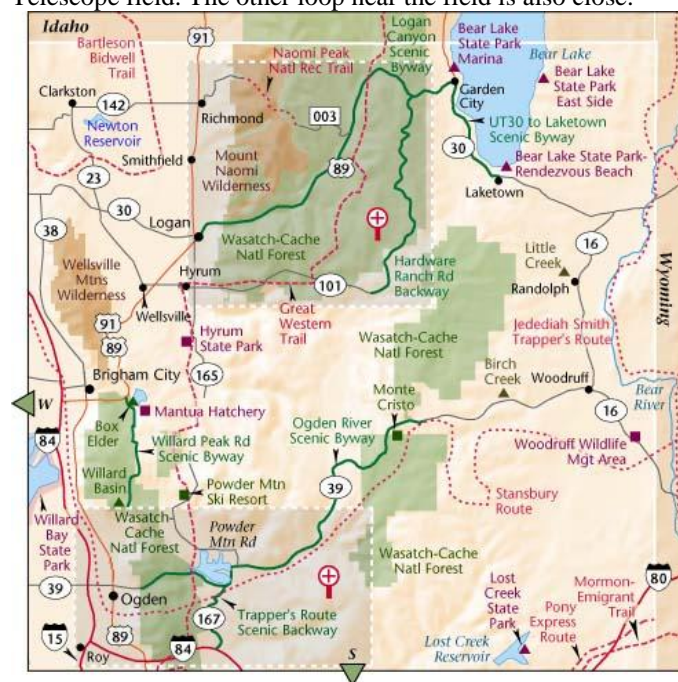

Monte Cristo

Reminder, Monte Cristo is the week of August 3rd. The formal star party is on Friday and Saturday. We have “Tea Parties” around noon and Pot Luck dinners on Friday and Saturday nights at about 6pm.

The Monte Cristo Campground is at the top of Highway 39. See the map below. We hope to see everyone there.

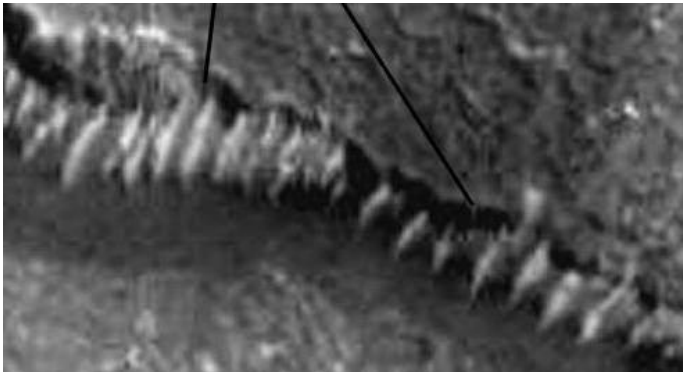

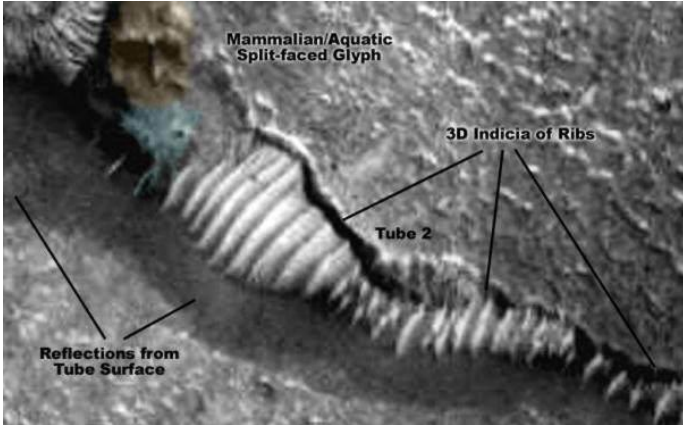

Map of Monte Cristo campground. There are more restrooms than noted. You want to try to get in the small loop by the Telescope field. The other loop near the field is also close.

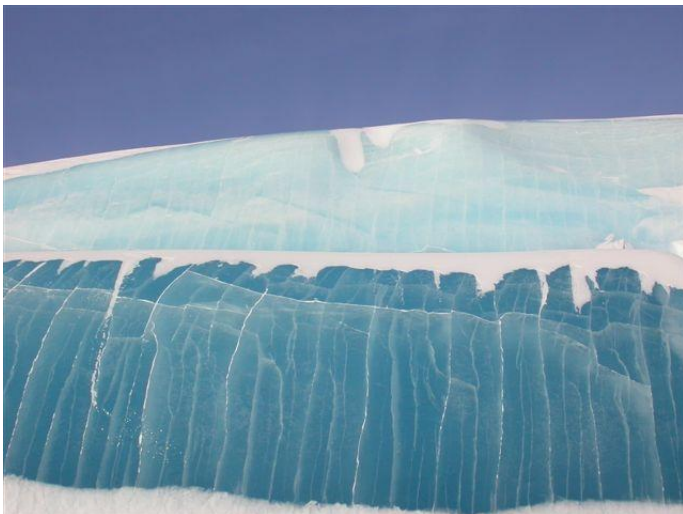

Could There be Frozen Ocean Dumpers on Mars?

Submitted by Tom Dougherty

The first two pictures show possible frozen ocean dumpers on Mars.

The following pictures are frozen dumpers on the Earth

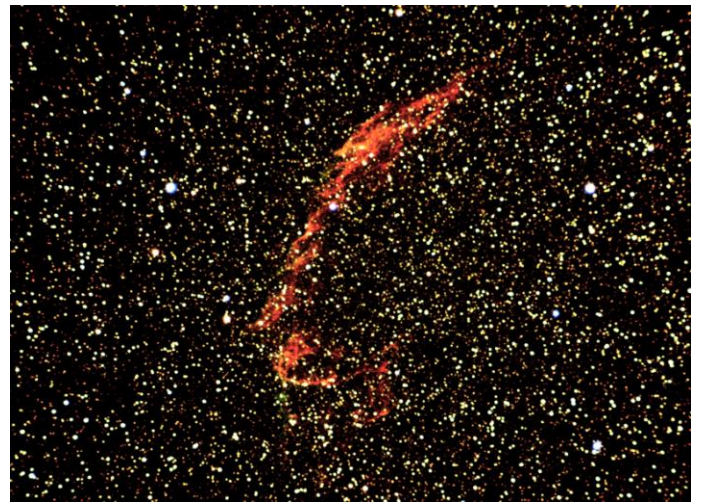

Pictures from Cygnus
