entered into a relationship to provide motors for SpaceX. She then answered questions from our members on many different astronomy related topics. We also viewed the new planetarium show.

We then adjourned with many of us going to Village Inn for additional socializing.

## OAS Minutes – November 2013

The annual meeting of the Ogden Astronomical Society was held on November 14, 2013 at 7:30pm at the Ott Planetarium. President Craig Browne conducted the meeting.

### Announcements

- Doug has Calendars
- St. George Star Party – 2/27-3/1
- Messier Marathon – Curlew – 3/28-29

The time was then turned over to Dr. Stacy Palen who told us about the new science building that is planned for Weber State. Buildings 3 and 4 will be demolished next fall. The new building will be 3 ½ stories tall. It will house the science labs and offices. It will have an observatory on the roof that will include an isolated pier to the ground. The building will be completed in 2016. She also that ATK had
